

**AMENDMENTS TO THE DRAWINGS**

Please replace the original drawing sheets 1-14 with the replacement sheets 1-14 submitted herewith.

The replacement sheets 1-14 are formal drawings prepared to replace original sheets 1-14 respectively. Applicants respectfully submit that the drawings add no new matter to the claims or specification.

**REMARKS/ARGUMENTS**

In addition to the amendments submitted in the October 3, 2005 response to the Office Action dated September 27, 2005 to correct informalities, Applicants provide the following amendment in response to an Office Action mailed October 7, 2005, in order to place the above-referenced application in condition for allowance.

In the Office Action, the Examiner has indicated that the formal drawings were in non-compliance for failure to provide proper identifiers on such drawings. In response, Applicants enclose herewith the formal drawings, each of which is properly labeled "Replacement Sheet."

The drawings add no new matter to the above-referenced application and entry of the formal drawings is respectfully solicited. Accordingly, allowance of the application with Claims 1-12 and 26 and with the resubmitted formal drawings is earnestly and respectfully requested.
